Special Ballots

Vote totals from Special Ballots and unprocessed polling place ballots were counted into the Absentee totals.

Polling Place vs. Absentee Precinct Totals

This abstract of votes reflects both polling place and absentee results by precinct.

Polling Place results are shown in precincts numbered 1 through 667.

Absentee and Vote by Mail results by precinct are shown in precincts numbered 1001-1673 (Regular Precinct number plus 1000).

Polling Place Situations

02-011 FPD #6, Station 65, Park Avenue
27-329 North Shore Assembly of God
28-416 United Church University Place

Recounted Polling place ballots:
The board workers in 28-416 indicated that some of the ballots had been processed through the voting machine twice. At the end of the evening, ballots from bin 1(write-ins) were removed from the machine and ran through the machine a second time.

In two other precincts after reviewing the ballot accountability form and comparing ballots cast to the number of people signing the poll book it was determined that in one polling place (02-011) some ballots were counted twice and in the other polling place (27-329) there were unprocessed ballots which could not be identified.

In all three instances, new memory packs were burned and the ballots processed by election staff; the new correct results replaced the erroneous results from Election Day.

Special Ballots

Voters ran special ballots through the voting machine, rather than placing the ballot in the special envelope in the following instances:

Precinct	Quantity	Voter Registration Status
02-012	One ballot	Registered in precinct 25-156
26-227	One ballot	Registered in precinct 26-227

In all cases the counting of these ballots would not have an affect on the outcome of any elections.
