

City of Bonney Lake

Council at Large, Position No. 2 Short Term - Four Year Term

Dan Swatman
PO Box 7772
Bonney Lake, WA
98390
(253) 862-5621
danswatman@sprynet.com

Education: Naval Avionics Technical School, many trade and technical schools
Occupation: Systems Engineer.
Professional Qualifications: Current Bonney Lake City Council Member, Certified Municipal Leader, Prior CDC Chair, Finance Committee Chair.
Personal Information: US Navy 6 Years, 15 year Puget Sound Resident, Pacific Northwest Native.
Community Involvement: Bonney Lake/Sumner Little League Treasurer, Secretary/Treasurer homeowners association.
Personal Views: Our City continues to grow rapidly, as your current Council Member I continually work towards ensuring responsible development of our City. I work with the Council and City administration to provide solutions to limit new taxes and fees. Open, accessible, and accountable government is very important. Bonney Lake must remain a safe place to live and raise a family. Enhancing Parks and Recreation activities and preserving our residential atmosphere are priorities for me. The needs of our existing City residents must take priority over outside interests. My experience as your Council Member for the past 4 years will help us meet future challenges. E-mail me anytime to express concerns or to find out more information.

Mark A. Hamilton
18003 83rd St E
Bonney Lake, WA
98390
(253) 863-6275
deemark@comcast.net

Education: Graduated Bates Technical College as a Broadcast Engineer and Green River Community College
Occupation: President and CEO of Network Support Incorporated
Professional Qualifications: Business owner with employees for 19 years. Civil Service Commissioner for Bonney Lake for the last 12 years.
Personal Information: My wife and I have been married 27 years and have lived in Bonney Lake for 15 years. Age 49
Community Involvement: Council Member of the Pierce County Juvenile Justice Diversion Program
Personal Views: More arterial roads, an expansion of our Park System, lower garbage and water rates and yes even our own ZIP code is what I will fight for on the City Council. Can we lower taxes by outsourcing City Services? Where is all the new retail Sale Tax going? Traffic along the 410 corridor is horrific. Growth is inevitable but you need a government that will manage the growth with a reasonable balance. I will work with the present Council and focus on what this City needs, and infrastructure that supports the growth. I will work with our State officials to bring focus on their responsibilities to the fastest growing city in Pierce County and fix SR 410 now. Help me bring new leadership to our great City, vote for Mark Hamilton 253-863-6275.
