* - This table only includes County Road Projects (CRPs) that are constructed by Public Works & Utilities and does not identify projects by other agencies or by private developers.

** - Except for path/trail projects, the proposed improvements are located on both sides of the roadway unless noted otherwise. For more project info, refer to: www.piercecountywa.org/crp

Note: Public Works & Utilities is also constructing a pedestrian overpass across the railroad at the Chambers Creek Properties. For more project info, refer to: www.piercecountywa.org/ccp
