

Steps to request sewer construction inspections

1. [Login to piercecountywa.org/permit](http://piercecountywa.org/permit).

Online Permits Dashboard

Application/Permit eNotification List
You must [log in](#) to view your eNotification list.

Development Center Lobby Activity
Lobby hours are 9:00am to 2:00pm
The lobby is closed at this time.

Special Notes
Search and Use Our Permitting System
Click on the [Search](#) button above to find Applications/Permits. You can then use the tabs in the detail screen to see the Reviews, Inspections, Status, Fees and much more. This is also where you can interact with the Application/Permit (paying any outstanding fees and scheduling inspections for example). The Resources menu gives you access to additional information and services. You can get access to much of our data by using the options in the Reports menu.

7. Type in Sewer Permit Number.

The screenshot shows the 'Online Permits' interface for Pierce County, Washington. At the top, a navigation bar includes links for Dashboard, Permit Search, Apply Online, Shortcuts, Reports, Account, and Logout. The main header area features the Pierce County logo, the text 'Online Permits', and a 'Have a question?' button. The central focus is the 'Application/Permit Lookup' form, which has a green header with a help icon. The form contains several input fields: 'Application/Permit #' (with the value 875963), 'Tax Parcel #', 'Contractor Id', 'Applicant Name', 'Project Name', and 'Site Address' (split into 'House Number' and 'Street Name w/o prefix or suffix'). Action buttons for 'Search', 'Clear', and 'Export' are located on the right side of the form. A red arrow points to the 'Application/Permit #' field.

8. Select "I want to"... then "Schedule an inspection"
