

## Crafting Supply List for April 13th & April 15th

We'll be making two crafts. You can make one or both of them with Jenn. If you don't have all of the supplies below, that's okay! Tune in on Monday April 13th, and we'll talk about substitutions. For both crafts, be sure to ask permission to participate with us and have a table covering and an apron or shirt that can get messy.
