Abstract Summary

The abstracts and data files for this election have been divided into 3 separate abstracts. A summary of each abstract follows:

Polling Place Abstract

This abstract contains vote totals for all the voters who voted at the polls. Three individual ballots, a Democratic, Republican and Unaffiliated were issued at the polling place. Vote totals for each party and the unaffiliated are included in this abstract.

Data File: feb00.asc

Absentee Party Abstract

This abstract contains absentee vote totals for the Democratic and Republican candidates. This abstract also contains a small portion of the absentee unaffiliated vote totals.

Data File: fecpty.asc

Absentee Unaffiliated Abstract

This abstract contains Unaffiliated vote totals only. Vote totals are listed both in the party section and in the unaffiliated section, but all vote totals contained in this abstract are in fact unaffiliated votes.

Vote totals appear in the party section because many voters who signed an unaffiliated oath or failed to choose an oath in fact voted a party ballot rather than the unaffiliated ballot. These ballots were counted into their respective contests rather than being remade as unaffiliated ballots. This saved the County from having to remake approximately 17000 ballots.
