**Pierce County  
General Election  
February 8, 2005**

**Notes to Abstract**

**Provisional Ballots**

Vote totals from provisional ballots were counted into the absentee precinct totals. Rather than adding the totals into the polling place results, state law requires provisional ballots to be remade on to absentee ballots and counted in to those totals. This results in the ballot being counted into the correct precinct and only those items which the voter is entitled to vote on are counted.

**Polling Place vs. Absentee Precinct Totals**

State law requires the Auditor to report polling place and absentee results separately by precinct. Accordingly, this abstract of votes reflects both polling place and absentee results by precinct.

Polling Place results are shown in precincts numbered 1 through 667.

Absentee and Vote by Mail results by precinct are shown in precincts numbered 1001-1673 (Regular Precinct number plus 1000).

**Changes to precinct totals:**

In some precincts the number of people voting is very small. In order to protect the secrecy of how these voters actually voted it is necessary to transfer these totals to larger precincts. If these results were not moved it would be possible to determine how an individual voted.

To protect the secrecy of votes cast, the following precinct adjustment was made:

<b>Number of Votes</b>	<b>Original Precinct</b>	<b>Precinct to which votes were moved</b>
8	31-637 VBM	31-619 VBM
